

Family Alliance Now Hiring

**Seeking C.N.A. who desires to
do fun and purposeful activities
with seniors.**

Great benefit package available!

Family Alliance's unique story of operating the only adult day health programs in McHenry County spans over 36 years, providing adult day health, memory care and behavioral health and counseling services for adults age 50 and better in our community. Our mission is to provide adults, caregivers and families with programs and services promoting an enhanced quality of life. Our programs allow individuals to remain in their homes for as long as possible, avoiding premature nursing home stays, minimizing hospitalizations and in both cases, significantly reducing the cost of care. Our approach to program services is administered via a culture of empathy and compassion.

The Dayoom Certified Nursing Assistant (CNA) provides quality direct personal care for program participants in an environment that promotes their rights, dignity, freedom of choice, and individuality.

The CNA participates in consumer care planning, assists clients with activities of daily living, completes narrative documentation of assigned primary consumers, and completes consumer daily participation logs as assigned.

Additionally the CNA participates in planning, preparing, implementing, and evaluating day room activities and may be called upon to assist in the kitchen when the Dietary Aide or Day Room Support staff are absent.

This position may provide care for the Woodstock and Huntley location; therefore the qualified candidate must be available for both locations.

E-mail your resume to Lisa Nalley at lnalley@familyallianceinc.org or contact him at 815-333-8647.
